REMINDER: PRE-REGISTER FOR COMMUNITY SURVEY

The Town will soon be conducting one of its periodic community surveys. We've posted notices online to encourage as high a level of community participation as possible. We will also be mailing a notice to every household.

We offer participants the chance to pre-register at www.PittsfordSurvey.com so you can be notified as soon as the survey goes live, which is planned for April 1. The email notification will include a direct link to the survey.

We will be mailing a notification about the survey to every household. Paper surveys, for those who don't have a computer or don't want to take the survey online, will be made available as well. Online access to

Pittsford
Community
Survey

the survey will also be available at the Pittsford Community Library and the Spiegel Pittsford Community Center.

Your responses to the survey will be completely anonymous. This was one of the requirements that the Town insisted upon in selecting a consultant to do the survey. Complete anonymity for responses to the survey is critically important to residents feeling comfortable in telling us what they really think. Understanding what you really think is the whole point of the Community Survey.
